Danish recognition certificate as chief engineer officer	

### Endorsement by shipping company

Name of Danish shipping company	
---------------------------------	--

On behalf of the Danish shipping company, it is confirmed by signature of the representative of the company that the following is fulfilled:

- The candidate for assessment has a minimum period of 1 month of seagoing service on a Danish ship owned by the Danish shipping company stated on the application form as a supernumerary officer in a capacity similar to the capacity stated on the application form for the Danish flag State endorsement, and
- the assessor and the candidate for assessment have served together for a period of minimum 1 month on a vessel relevant to the Danish flag State endorsement, and
- the assessor has minimum 12 months of seagoing service in a capacity as master or chief engineer officer in a Danish shipping company.

Furthermore, it is declared under penalty of perjury that the information is true and that all enclosed copies are in conformity with the originals.
