

# Declaration on the completion of a survey through self-monitoring

Pursuant to the act on safety at sea, cf. consolidated act no. 627 of 26 July 2002, as amended  
and  
technical regulation no. 8 of 15 July 2004.

Name of ship:

Distinctive number or letters:

Official number:

Port of registry:

It is hereby declared that the ship surveyed on:

- has been examined in accordance with the survey forms handed out in connection with the Danish Maritime Authority's previous survey of the ship
- has been surveyed by an authorised radio company (signed declaration enclosed) or the Danish Maritime Authority
- also complies with any new regulations that have entered into force since the last survey
- is seaworthy and operated in accordance with the regulations on protection of the marine environment
- is manned in accordance with the Danish Maritime Authority's regulations and with a crew that meets the qualification and health requirements made
- has been arranged so that it is possible to perform the work on board in a manner that is fully appropriate in terms of health and safety.

Furthermore, it is hereby declared that there have not been any industrial or marine accidents on board the ship since the last survey that are required to be reported.
