

**Order amending the order on technical regulation on the performance
of certain tasks pursuant to the act on safety at sea
on behalf of the Danish Maritime Authority, etc.**

Section 1

In order no. 1359 of 15 December 2009 on technical regulation on the performance of certain tasks pursuant to the act on safety at sea on behalf of the Danish Maritime Authority, etc., the following amendment is made:

1. *Section 2(1)* shall be as follows:

"Application

Section 2. This order covers the following tasks that companies or individuals may perform on behalf of the Danish Maritime Authority pursuant to the act or regulations issued pursuant to the act:

- 1) Inclining tests and lightweight calculations on new-built passenger ships, new-built cargo ships with a gross tonnage below 500, new-built fishing vessels, new-built commercial vessels with a length below 15 metres as well as in connection with periodic stability control on passenger ships every five years, periodic stability control on fishing vessels every ten years, periodic stability control on commercial vessels below 15 metres constructed in or after 2001 every ten years, periodic stability control on traditional ships holding a permit to carry passengers every five years as well as in case of alterations of the above-mentioned ships.
- 2) Noise measurements on ships.
- 3) Thickness measurements using ultrasound on unclassified ships.
- 4) Surveys of the outside bottom of laid-up fishing vessels.
- 5) Electronic testing of LRIT equipment.
- 6) Confirmation that the service station's arrangement and working procedures are in accordance with IMO Resolution A.693(17).
- 7) Performance of inspection and approval of the design of floating houses.
- 8) Design, calculation, testing and certification of lifting appliances and loose gear or a limited part hereof.
- 9) Surveys in connection with the operation and issue of approval certificates for passenger lifts on ships.
- 10) Radio surveys on fishing vessels as well as on cargo ships below 300 tonnes in Denmark and Greenland.
- 11) Control measures pursuant to MARPOL, Annex II.
- 12) Certification of cargo hold drawings or descriptions and documents indicating the calibration of tanks for fishing vessels above 17 metres.
- 13) Insulation measurements of electrical systems on unclassified ships.
- 14) Periodic inspection of offshore containers and lifting appliances.
- 15) Measurement of ships."

Section 2

This order shall enter into force on 1 July 2017.

Danish Maritime Authority, 22 May 2017

Lars G. Nielsen / Per Sønderstrup
